

Hey, All Interested in College Bound!

July 29-Aug 1, 2010 (Thurs- Sun) the College Bound Invitational will be held in Gainesville, FL.

Super important competition **25+ College Coaches** are there recruiting and educating you about there college.

If you haven't signed-up already you must do so quickly – there are very few limited spots! Must be registered by June 20, 2010. Cost of the show is \$300 it includes; one flat class, one over fence class; a copy of your resume for all of the coaches to keep, and all the conference and access to the video library is included. Western and dressage classes are also offered for an additional \$100.00 –Deposit Required!!!

This is a great opportunity to learn about what college you want to go to. It's recommended for all high school students -and it's very fun. This is very interesting/important weekend for parents.

Learn all about NCAA and IHSA riding

Attached is the application, I have also attached some video tape requirements and a sample resume and a sample video script we have used in the past. Please start working on your resume tape. To make a DVD Video Resume the cost is \$100.00 parents must attend this lesson to help make your child shine! This is very important and takes a lot of time. If you want my assistance with your resume, email me.

Attending College Bound will also earn you RIFNA *show and educational points*.

I will happily help any of your friends attend the show and the prerequisites, please have them contact me

Keely's coaching fee is \$125 this fee includes all of my expenses. Ultimately, if I don't have enough people sign-up the coaching fee will have to be adjusted appropriately to cover my cost (hotel, gas, and food) if I have lots of riders sign-up I will gladly alter the price to be more affordable
